Why Join PTA?
Because Simply Joining Makes a Difference!

The PTA is the largest organization in the country working exclusively on the behalf of children. Just by joining PTA, you help provide:

At the Local School Level:

- All the great programs at your school! Ask any PTA member for more information about these programs and opportunities to be involved.
 - Remember—We would love to have you volunteer and attend PTA meetings, but your level of involvement is totally up to you. Just your membership alone helps!

At the County PTA Level:

- Special programs (open to the general public) such as a Board of Education Roundtable, Superintendent's Roundtables, and a "Meet the Candidates" night
- Active parent participation in community committees.
- Blanket liability and bonding insurance coverage for local units.
- Support of legislation benefiting children.
- Training for local PTA officers and members.
- The Council newsletter Outreach.

At the State and National PTA Levels:

- The National PTA website—www.pta.org
- National PTA projects such as Bicycle Safety, Parent/Family Involvement, etc.
- Support of legislation benefiting children. We even have a registered (volunteer) lobbyist and staff in Washington, DC.
- Training and packets of leadership materials for local, county, and state officers.
- Publications such as Our Children magazine, What's Happening in Washington, and Maryland PTA Bulletin (mailed to all local units).
- The Reflections program.
- Array of materials on parenting topics—Helping Your Child Learn, Critical TV Viewing, Health and Safety, Working with Principals and School Boards, etc.

and much, much more...
